

Please join **Sachem SEPTA** at our next workshop:

THE COLLEGE EXPERIENCE
CAREERNEXT at SUNY SCHENECTADY

The College Experience is a residential non-credit certificate program hosted at The College of Saint Rose. Through The College Experience, students with developmental disabilities can learn to live independently with supports, take functional academic courses on the campus, intern at area businesses and become part of a diverse campus community.

CareerNext offers personalized academic and residential supports for students with Autism and Learning Differences designed for students to successfully complete an accredited Associates Degree or Career Certificate at SUNY Schenectady. In addition, students will also receive non-credited CareerNext courses focused on independent living, executive functioning skills and academic supports.

A SEPTA general meeting will be held at the beginning of this workshop
(start time & location listed below).

Monday, October 22nd @ 7:00 pm

**Board of Education Annex - Room A
Samoset Middle School
51 School Street
Lake Ronkonkoma, NY 11779**
