

## Hello Sachem Families,

## Welcome to Sachem SEPTA!

### Who we are...

Sachem SEPTA (Special Education PTA) is a district-wide organization that was designed to build strong partnerships amongst parents, teachers, administration, existing PTA's and the community.

*Our hope is that children receiving special education services will be better understood, integrated and embraced by our schools and community.*

Does your child have an IEP or a 504 Plan? SEPTA members have children that receive support services in a variety of educational environments!

What SEPTA can do for you?

- Guest speaker at every meeting.
- Great way to meet other parents in our community.
- Provides an excellent forum to seek out information and clarification from Sachem administrators and faculty members.
